Lunchroom Guidelines for Parents

We welcome safe environment approved parents, guardians and grandparents to eat lunch with their child. As you dine with your child, we ask that you please adhere to the following guidelines:

1. Parent/guardians/grandparents must check in the main office and obtain a visitor’s badge from the office staff before lunch.

2. You may bring food for your child and yourself only. For safety reasons, you may not bring additional food for other children. This includes cookies and other snacks. Many children have life threatening food allergies. The exception to this is birthday cupcakes or cookies which must be store bought with the ingredients listed for safety reason. It is not necessary that you bring in treats, but if you do please drop them off in the front office that morning.

3. Please eat with your child and only your child at the designated parent dining table.

4. Please do not take any photos of children or staff.

5. When lunch is over, please let your child return to his/her class. Our teachers are on a tight schedule, so saying goodbye in the lunchroom helps them stick to their schedule.

6. Please return to the office to check out when your child's lunch period is over. Please do not go to the classroom with your child.
