

LIVING THE MISSION

My brothers and sisters in Christ,

I want you to know that we are working and praying for you, and your families. We are creatively seeking ways to serve you. **Look for ways** that you can share the gift of Faith with your family and friends. Tell them ***on the phone, or online***, about what is happening at your parish. We are just beginning to make an “on-line” presence. A remedy to “cabin fever” could be a walking rosary around our campus. Another idea, come out in the evening and see the light shining by our tabernacle, now in our main sanctuary. Call others. Offer encouragement by sharing the the reason of your Hope, and your Faith.

What next? What now? Ask the Holy Spirit, and be ready to be directed. Our mission is critical - to come ***to know, to love, and to serve*** the Lord, so that we may enjoy eternal life with Him in heaven. So for now, “Eyes Up.” Look to the Lord. He loves us first. Don’t stop being generous. Be generous in your prayers, and support for others. Your “***on-line***,” and mail in financial support have been a blessing for us. I sincerely thank you. We are the stewards of all God’s gifts; now and forever. Amen!
