INTRODUCTION

The Catholic Elementary Schools within the Diocese of St. Petersburg, in partnership with parents, strive to educate the whole child: spiritually, intellectually, morally, socially, and physically. This allows the Catholic elementary school to educate and evangelize students for the Church's mission in the world.

HISTORY

In 1952, the Most Holy Redeemer mission became a parish with set boundaries. A year later, construction was begun on an eight-classroom school and a convent to house the Sisters of St. Joseph from St. Augustine, Florida. Most Holy Redeemer School, located in northeast Hillsborough County, opened its doors on September 7, 1954, with 9 classrooms (K-8). The enrollment was approximately 200 students in the nine classrooms. The school began to experience constant growth, so four additional classrooms were built in 1958. In 1961, at the request of the Diocesan Department of Education, a ninth grade was added until Central Catholic High School (later named Tampa Catholic High School) was ready for operation. In 1965, a new wing was built which included 6 classrooms and an administration complex with a library and clinic.

In 1974, Most Holy Redeemer became an area school, including the parishes of St. Paul, St. Mary, and Our Lady of the Rosary. In 1980, the school name was changed to Most Holy Redeemer Inter-Parochial School, and 2 physical education dressing rooms and a maintenance workshop were constructed. In 1982, the Sisters of St. Joseph resigned from staffing the school, and a lay administrator was hired for the first time in the history of the school. In 1983, the Sisters of the Third Franciscan Order of Syracuse, New York joined the faculty. St. Timothy parish became a participating member of the inter-parochial school system in 1985. The sisters resigned from the faculty in 1989, and the school staffing was turned over to a lay administration and faculty. In 1990, the school moved the Media Center, Computer Resource Room, and the Guidance Office to the first floor of the former convent.

In April 2012, Most Holy Redeemer was named one of seven schools in a new diocesan model. In July 2014, Most Holy Redeemer Catholic School became Mother Teresa of Calcutta Catholic School. In June 2015, the school relocated to its present location in Lutz. The school is part of the Catholic School System of the Diocese of St. Petersburg and is under the direct governance of the Office of Catholic Schools regarding all educational policies, finances, as well as supervision. Children from an increasingly large geographical area now receive a Catholic education at the school. Mother Teresa of Calcutta Catholic School will continue to provide for the spiritual, academic, physical, moral and social needs of its school community well into the 21st century.

CONTINUOUS ENROLLMENT PROCEDURES

Once enrolled, the parents sign a Continuous Enrollment Agreement and agree to keep all information updated within Renweb, FACTS, and up to date on all school policies and procedures. See the Continuous Enrollment Agreement attached as Appendix L.

LEARNING DIFFERENCES

The initial application for enrollment at Mother Teresa of Calcutta Catholic School involves an inquiry about the history of testing for special needs. If the parent indicates a history of psycho-educational testing, then the administrator will determine whether the specific needs of the student can be accommodated at Mother Teresa of Calcutta Catholic School. In order to receive special accommodations, documentation (i.e., psycho-educational documentation and/or medical reports) with recommendations from a qualified professional should be submitted to the school.

A Student Support Plan (SSP) may be formulated for students with special learning needs (e.g., learning disability, an auditory disorder, attention deficit disorder). Such learning needs must be diagnosed by a qualified professional using authentic evaluation methods. The Student Support Plan outlines accommodations that are reasonable and appropriate to the needs of the student. These accommodations should not jeopardize the academic standards of the school, the standards of the school facility, and requirements should not place unreasonable financial burden upon the school.

In order to receive accommodations, a Student Support Plan must be on file along with documentation (i.e., psycho-educational documentation and/or medical reports). Parents are advised to schedule an appointment with the school counselor in order to initiate the Student Support process. A Student Support Plan will be based on the doctor's diagnosis and/or recommendations along with input from the student's parent(s), teacher(s), and school counselor with the approval of the administrator.

WITHDRAWAL PROCESS

Parents/guardians are to inform the Admissions Director in writing prior to a student's withdrawal from the school. Parents should reach out to the Admissions Director to receive a copy of the withdrawal form. Parents/guardians must satisfy all financial commitments to the school before a student is withdrawn.

Delinquent Accounts

Parents and guardians of children attending Mother Teresa of Calcutta Catholic School are fully responsible for all financial commitments set forth in their Admission Contract as well as those set forth in this handbook. Our school’s main source of income is tuition. When accounts become delinquent, it has a direct negative effect on the school. Any outstanding tuition after 30 days will put your child’s continued attendance at MTC in jeopardy. Please contact the principal if you are having difficulty. If financial obligations are not met, students will not be allowed to return to school until acceptable terms can be agreed upon. Financial obligations include tuition, service hour fees, after care, all books returned, and any other fees owed to the school. If payments are not made, parent FACTS accounts will be locked.

ATTENDANCE

Success at Mother Teresa of Calcutta begins with consistent daily attendance. Students are expected to be in school and on time every day school is in session. The Florida State Legislature has determined that parents/guardians have the primary responsibility to establish habits of regular attendance and promptness. (For the Attendance Policy of the Office of Catholic School and Centers of the Diocese of St. Petersburg see Appendix A.)

ARRIVAL

School begins at 7:30 a.m. and students are to go directly to their homeroom. Students arriving at or later than 7:45 a.m. are tardy. A student's tardiness and absences are noted in his/her attendance record. Regular and punctual attendance for each school day and for each class is expected of all students. Arriving early or on time allows students to mentally and physically prepare for the day in a calm and unhurried manner. Arriving on time promotes an optimal learning opportunity for your child and minimizes distraction for other children.

DISMISSAL

School dismisses at 3:00 p.m. Please be sure your child is picked up by 3:20 p.m. Supervision ends at that time. Students left on campus after 3:30 p.m. will be sent to the office, a fee per child will be charged. On early dismissal days, school ends at 11:30 a.m., and students should be picked up by 11:50 a.m.

TARDINESS

Any student not in the classroom by 7:45 a.m. is considered tardy and will be recorded tardy at the front gate. Students arriving after 8:00 a.m. must sign in at the front office.

REPORTING DEFINITIONS

- Tardy – non-attendance of a student for less than 60 minutes of the school day (morning or afternoon).
- Half day absence -- non-attendance of a student for 1 to 3 hours, 59 minutes.
- Full day absence – non-attendance of a student for 4 hours or more.
- Truancy—non-attendance of a student with/without parental consent or knowledge.

LEAVING THE PREMISES

No child is permitted to leave the school grounds without proper permission. This applies to the regular school day as well as all other school functions. If participation takes place in extra-curricular activities or after-school events, no child may leave the premises and then return again for the event. If a parent takes the child and then returns them, this is permissible. If a child has been absent for more than a half day, the child may not return for extra-curricular activities that day.

ACADEMICS

Overview

Mother Teresa of Calcutta Catholic School follows the curriculum as outlined by the Diocese of St. Petersburg Office of Catholic Schools. <http://dosp.org/schools/learning-standards/http://dosp.org/schools/learning-standards/> Mother Teresa of Calcutta Catholic School is first and foremost a Christ-centered school and a community of faith. Religious education and faith formation play a key part in the curriculum and form an integral part of our daily school life. All students attend religion classes that provide the foundation for understanding the Catholic faith and living a faith commitment. The student body attends weekly Mass. Stewardship is a way of life for Mother Teresa of Calcutta Catholic School students. Opportunities for stewardship and service, both within the school community and beyond, are afforded the students. Parents are encouraged to take an active role in their child's faith commitment.

Curriculum

The Diocesan curriculum offers an excellent course of studies designed to foster the holistic development of each child. All lessons and daily life at Mother Teresa are infused with our Catholic identity in accordance with the National Standards and Benchmarks for Effective Catholic Schools. Math, Social Studies, and special area subjects are based on Florida Core Standards. Religion concepts are based on Diocesan Standards. Reading/Language Arts and Science other subjects are based on Next Generation Standards.

The curriculum is divided into Core I Subjects with mandatory time allotments and Core II Subjects of enrichment with recommended time allotments. Core I Subjects are taught in self-contained classes for children in Kindergarten through grade two, and are departmentalized for students in grades three through eight. The Core subjects are:

Core I Subjects: Religion, Language Arts/Literature, Mathematics, Science, Social Studies

Core II Subjects: STREAM, Spanish, Music, Art, Physical Education. Our wheel classes include:
Creative Coding & Robotics, Technology, Painting, Music Technology, Problem Solving, Fun with Math, and Public Speaking.

MTC offers High School Algebra Honors, in 8th grade. Students who attend public school for high school will have their Algebra Honors credit reflected on their high school transcript. This is the beginning of their high school GPA. Based on the needs of the students, we may offer algebra and geometry for those students in need of acceleration.

At all times there is thoughtful consideration exercised by the teachers and administration to ensure that each student is placed at the level where he/she will be appropriately challenged and able to achieve independent success. Data used to determine middle school course placement include:

TerraNova scores

STAR scores

Report card final average in mathematics

Teacher recommendations

Kindergarten

Kindergarten is a full day program following the guidelines set up by the Florida Catholic Conference. The purpose of the program is to foster a love of the Church and the school through the gentle discovery of the wonders of the world that God has made and given to us. The following subjects are taught: religion, reading readiness and phonics, handwriting, math, science, social studies, health, art, drama, music, and physical education. Several approaches are used in teaching skills in these areas. Manipulatives, textbooks, technology, workbooks and worksheets are only some of the mediums used in our program. To the extent that the teacher is able, methods are adjusted in the acquisition of skills to meet the individual needs of each child. Questions, curiosity and investigation are encouraged.

Physical Education

All students must participate in physical education. If a student cannot participate in P.E. because of an illness or injury, a note from the parents will excuse a student three consecutive P.E. days. If a student will not be able to participate for more than three consecutive days, a note from a doctor is required. Students who cannot participate will be required to attend the class unless excused by the doctor's note. If a child must be excused from physical activity by doctor's note, grades will be compiled from all verbal and written schoolwork provided by the teacher. If a child is absent or unable to participate altogether for a period of 4-6 weeks, no grade is given.

Guidance

Mother Teresa of Calcutta has a full-time Guidance Counselor. Guidance services are available to all students. Individual counseling on a short-term basis to assess needs in regard to the learning environment, group guidance and classroom guidance lessons are offered, along with academic testing and referrals to public schools /outside professionals for academic/psychological evaluations.

Middle School Exams

MTC middle school students complete trimester 1 and 3 with exams. These exams count as one summative grade within that trimester. End of trimester exams help students with content retention and preparation for high school exams, which will account for a significant percentage of their semester grade.

Exam Absence Policy

The days of semester exams are made known well in advance of the examination period, and all students are expected to take exams when scheduled. Families should avoid making travel plans that conflict with examinations. Under extenuating circumstances, a student may be given permission to take exams at a later time. Under no circumstances will an exam be given prior to the date it is scheduled.

Parents should report unforeseen absences as referenced in the Attendance section of the handbook, as well as contact our guidance counselor to coordinate make-up exams.

Field Trips

The purpose of a field trip is to enrich the curriculum, foster knowledge of the community, and develop and refine student behavior appropriate to a variety of social situations. By the time students graduate from Mother Teresa of Calcutta Catholic School, they will have visited many of the cultural resources of the central Florida area. Field trips are also an integral part of the development of the subject studied. They are well planned, and students should view them as class outside the classroom.

Attending field trips is a privilege and only those students who meet academic and conduct requirements will be afforded the privilege. Exemplary behavior is expected on all field trips. Children are transported by bus, not by cars; this is for insurance purposes and for legal reasons. Therefore, children are required to pay for transportation. All students must return the school's "Diocese Field Trip Permission Form" signed by parents/guardians. Verbal permission for a field trip and/or a different form is not acceptable.

Depending on the field trip, adult chaperones may or may not be needed. Typically, the desired ratio of parents to students is one chaperone for approximately six students. In many cases the school is limited in the number of chaperones that can be accommodated. In the event that there are more parents interested in attending than are needed, the teacher will randomly select the needed number. Chaperones must not use alcohol or tobacco during the field trip period. Parents interested in being a chaperone must be an approved volunteer. The Volunteer Handbook and Application Forms are available on our school website.

Sacramental Program

All sacramental preparation and the reception of the sacraments are done in your parish, not the school. Details of instructions, parent education, and the time the sacrament is to be received will be given to you by the pastor of your parish. The Sacrament of Reconciliation and the Sacrament of Holy Eucharist are usually received when the child is in 2nd grade. Students who receive the Sacrament of the Holy Eucharist in their parish will participate in a school Mass to celebrate the reception of the sacrament. The Sacrament of Confirmation is usually received during the high school years. Your pastor will give you specific details for the reception of these sacraments.

Students will be provided the opportunity to receive the Sacrament of Reconciliation after Mass on Tuesdays. This opportunity will be on a rotating schedule by homeroom for students in grades 3-8.

Weekly Liturgies

Students attend Mass weekly. Teachers accompany their students to Mass and remain with them during the Mass. Non-Catholic students follow the same religion curriculum as Catholic students and will attend Mass.

Summer Reading and Math

There are mandatory summer reading and math requirements for all students entering grades 1-8. Information is provided on the school's website and hardcopies are sent home the last week of school.

Promotion and Retention

In order to be promoted to the next grade level, students must meet the curricular and developmental requirements of their current grade. In determining whether a student will be promoted or retained, the teachers and administration will consider how the needs of the student can be met most effectively. If the teachers and administration feel that it is not in the best interest of the student to advance to the next grade, based upon criteria listed below, retention may be considered. In such cases, a great deal of communication will take place between parents and the school staff. Parents will be given ample opportunity to express their concerns. The final decision will rest with the principal as advised by the student's teacher(s).

Some questions that would influence the staff's decision regarding promotion are:

- Has the student mastered basic concepts and skills in the core subjects (language arts and math)?
- Has the student met the course and Diocesan Standards?
- Is the student consistently able to complete class work?
- Has the student received multiple Cs, Ds or Fs?

Grades 3-8: The core subjects in the Catholic Schools of the Diocese of St. Petersburg are religion, math, language arts, science, and social studies. A student enrolled in a Catholic School who fails one core subject must participate in a remedial program. Failure of two core subjects will result in remediation or retention at the discretion of the principal. Failure of three or more core subjects will result in retention.

Students have the following options for remediation:

- Florida Virtual School
- Private Tutoring - minimum of 20 hours per subject
- Remedial Program – minimum of 20 hours per subject

Teacher(s) or programs providing remediation must meet the following requirements:

- Hold current certification in the subject area in which the student needs remediation
- Be contracted by the parent
- Meet the school principal's approval
- May not be the student's current teacher or have the possibility of being the student's teacher in the future.
- All remedial services must follow the guidelines of the Office of Catholic Schools and Centers at the expense of the parents/guardians.

Prior to the beginning of the next school year, the principal must receive:

- Tutoring Verification form to validate attendance
- Proof of proficiency in the subject area including work samples and test scores

GRADING

Communication between teachers, students, and parents is of vital importance for the continued progress of each student. Parents always have access to their child's grades through the online grading program, RenWeb. Teachers update student records on a weekly basis. Please monitor your child's progress and contact your child's teacher(s) if there are any questions or concerns. MTC follows the Office of Catholic Schools and Centers of the Diocese of St. Petersburg's Best Grading Practices. See Appendix B.

Report Cards and Progress Reports

Report cards are issued at the end of each trimester. Progress reports are emailed to parents at the halfway point in each trimester.

TECHNOLOGY

Overview

The technology mission at Mother Teresa of Calcutta Catholic School is to provide students with a solid technology-integrated education. Developing 21st century skills is essential for today's students to meet state standards, perform on assessments, and be college and career ready. Students in grades 3-8 are issued a Microsoft Office 365 account that provides access to email for communication with teachers, staff and MTC students only. OneDrive, OneNote, Office Online and many other cloud tools are available for use. Digital skills improve critical thinking, communication, collaboration and creativity in students. MTC is committed to utilizing technology by providing access to digital tools in all classes.

1:1 iPad Program

- Students in grades 6-8 are issued a school owned iPad package that can be taken home. The package is distributed at the beginning of each school year and is returned at the end of each school year. Students are responsible for the care of their issued iPad at all times. Parents are financially responsible for any damaged or missing parts. Both the student and a parent must sign the 1:1 contract to participate in the program.
- Students in grades K-5 are issued "in school" 1:1, meaning they have a personal iPad available for use during the school day. The teacher will dictate the usage. Students are responsible for negligent damage (throwing, hitting or otherwise damaging the iPad maliciously). This includes repair costs if deemed necessary.

Classroom Technology

- Shared technology lab with desktop computers
- Carts of laptops available for a whole class use
- Shared iPads in the Arts wing for Art and Music projects
- Shared laptops in each room including the Library/Media Center
- Smart TVs (3-8th) and Apple TVs (k-8)
- Vibe interactive whiteboards in grades K-8
- 1:1 iPads in grades K-8

Social Media

Mother Teresa of Calcutta Catholic School has created its own social media outlets which includes a Facebook account. No other social media, such as Facebook pages, should be created that claim to represent the school other than those created by the administration of the school.

Technology Concerns

The postings of defamatory comments by parents or students on websites and social networks such as, but not limited to, Facebook, Skype, Twitter, You Tube, Instagram and Snapchat regarding the Diocese, school, administration, faculty/staff members or other students is strictly forbidden. Parents should use caution when taking pictures of MTC ceremonies and functions.

Many parents do not desire their children's pictures published on websites. Consideration, caution, and common sense are suggested.

The school acknowledges that technology should be used as a vehicle of communication that reflects Catholic values and moral decision making; therefore, it is required that all use of technology at Mother Teresa of Calcutta Catholic School adhere to the Diocese of St. Petersburg Student Internet Use Policy. See Appendix C.

STUDENT ACTIVITIES

Overview

The goal of Mother Teresa of Calcutta Catholic School is to develop the whole child: physical, mental, emotional, social and spiritual. In order to promote the students' growth and development in all these areas, Mother Teresa of Calcutta Catholic School offers a wide variety of extracurricular activities. These activities are made possible through the cooperation of parents, responsible staff or volunteers, and the students.

Athletics

Athletic programs serve as a wonderful tool in the education of young people. Not only do they promote physical exercise, but they also reinforce values such as self-discipline, group cooperation, and sportsmanship.

- The primary purpose is to have fun and enjoy participating in an activity. We always strive to win, but it is not our main focus. Our most important victory is building self-esteem and the development of positive social skills.
- Students should strive to give 100% regardless of their ability, because this effort is the way to approach all situations in life.
- Arguing with or denigrating teammates is never tolerated.
- Referees and opponents are not enemies and are always to be treated with respect.
- Academic grades and conduct are first priority. Students must strive to maintain good grades and conduct to be eligible for the team. (See the Office of Catholic Schools and Centers of the Diocese of St. Petersburg Policy on Extracurricular Eligibility in Appendix D.) Since parents give permission to play, they are free to remove their children if they are not satisfied with their grades or conduct.
- Unsportsmanlike conduct or failing to maintain a standard of conduct satisfactory to the school administration may result in the removal of a student from a team and denial of attendance at sports games and events for a period determined by the administration.
- This spirit of respect, cooperation, and friendship applies to coaches, parents, and fans.

MTC participates in the Catholic Youth Association. Tryouts are held before each season. Teams are limited in their numbers, and determining who makes the team is left solely to the evaluation of the coach under the direction of the school's Athletic Director. The following after school sports are offered:

You are encouraged to make arrangements with other families in advance if you are unable to drive to an event. Mother Teresa of Calcutta coaches employed by the school will not be responsible for arranging car pools and are not allowed to transport athletes to and from games.

If you are releasing your child to another parent for transportation to or from an event, written permission is required and must be given to the Athletic Director or coach. Athletes should make face to face contact with the coach when leaving the event. Any player not picked up on time from practice and/or game may be dropped after a second incident.

Clubs and Organizations

Mother Teresa of Calcutta Catholic School offers numerous activities and clubs geared to the varied interests and talents of its students. Some clubs are offered during the school day, while others are offered after school. There is a small fee for after school clubs and parents are expected to pick up their child promptly after the club is over. Children not picked up promptly, will be escorted to the front office and a fee will be assessed. Clubs and organizations may include but are not limited to:

- Student Council
- National Junior Honor Society
- Altar Servers

Class Parties

Class parties are only held at times that are agreed upon by the faculty and approved by the principal. Requests for funds for class parties are to be made solely by the school. Requests for additional funds for party expenses or teacher gifts are prohibited. School parties are to be no longer than one hour in length and may include simple and enjoyable activities or crafts.

Birthday treats must be small, store-bought treats (including an ingredient label) provided for the entire class and easily served during the half hour lunch period, or when determined by the classroom teacher. Homemade treats are not permitted due to student allergies. All birthday treats should be dropped off at the office prior to

11:00 a.m. Private party invitations may not be distributed in school unless all students in the class are being invited in order to avoid excluding others.

Eighth Grade Privileges and Graduation

Graduation: Graduation is usually held in late May and is a public celebration of a student's completion of middle school. Graduation occurs at a special Mass offered for the intentions of the graduates and their families. Graduation is a dignified ceremony celebrating the unique value of a Catholic education. Gowns are worn at the ceremony. Parents are asked to be inclusive of all students for all graduation festivities and to plan celebrations which are age appropriate. The school does not sponsor local or out of town trips or parties.

Privileges: Eighth grade students are able to participate in many privileges and activities to celebrate their status as leaders in the school. The privileges may include activities such as wearing a class t-shirt, eating lunch outside, etc. The participation in any privilege or graduation activity including class trips, eighth grade luncheon, and graduation ceremony will be dependent on the behavior of the student.

DISCIPLINE

Overview

The primary purpose of Mother Teresa of Calcutta Catholic School is to provide a Catholic education in an environment permeated by the teachings of the Gospel. We support a positive approach to discipline where children are taught the value of making correct choices. We strive to create a climate of controlled and responsible freedom. Discipline is an aspect of moral guidance. School wide and classroom rules/behavior modification systems are established for all students to follow. Middle School students follow a behavior modification system that includes points for privileges and field trips. The goal of all discipline is ultimately self-discipline and character development. Linking consequences to behavioral choices helps develop these traits. Consequences of unacceptable behavior are not meant to punish, but to help students understand the implications of their choices. All students begin the school year on a 90-day probationary period in which to prove himself/herself socially, academically, and spiritually.

Code of Conduct

Student Expectations:

- Every student is expected to act in a *Christ-like manner*.
- Every student is expected to be *respectful, honest and courteous*.
- Every student is expected to follow the *rules and policies* as given.
- Every student is expected to *communicate* in an appropriate manner with adults and peers. Uses of profanity or comments that are hurtful are not appropriate language.
- Every student is expected to *respect the personal boundaries and property* of others and school property.
- Every student is expected to *promote and support a safe, fun and healthy environment* through positive participation.

The Code of Conduct provides a guide for the behavior of the students and the consequences for failure to follow these guidelines.

The Code of Conduct for Parents, Guardians, Volunteers, and Visitors of Catholic Schools in the Diocese of St. Petersburg can be found in Appendix F.

The Safety in Private Spaces Act - The school complies with the requirements of §553.865, Florida Statutes, “The Safety in Private Spaces Act”, which is consistent with the teaching and tenets of the Catholic Faith. Except where facilities are specifically designated as unisex, the school’s bathroom and locker rooms/changing facilities are designated exclusively for use by biological females or biological males. Any student who willfully enters a school restroom or locker room/changing facility designated for the opposite sex and refuses to depart when asked to do so by any school personnel will be subject to disciplinary consequences as established by the school principal unless a specific statutory exception applies. This handbook provision shall be considered a part of the school’s code of student conduct.

Disciplinary Action

Students in grades K through 8 are bound by school policies and regulations whenever they are on school or parish grounds and during all off-campus, school-sponsored activities. Consequences for inappropriate behavior vary according to the severity of the infraction, the age of the student, extenuating circumstances, and the frequency of the child's disturbance to the educational process. Actions other than those listed, which are considered to be contrary to the philosophy of the school or wellbeing of the school community, are also subject to disciplinary action. Consequences that may be employed for lack of cooperation with school rules are listed below. Middle School students are provided with a Student Conduct and Expectations Point Sheet. See the Middle School section under Conduct Reporting and Recording. The Office of Catholic Schools and Centers of the Diocese of St. Petersburg's Anti-Bullying Policy is attached as Appendix E.

- **Level I – Disciplinary Action:** Inappropriate behaviors may warrant loss of minor privileges such as (but not limited to) recess time, group activities, extracurricular activities such as team sports, etc. Conferences may be conducted with the student, teacher(s), parent(s)/guardian(s), guidance counselor, assistant principal and/or principal.
 - **Detentions:** After school detentions are an acceptable disciplinary measure. Parents will be notified if a student is to be detained. Detentions are served on Wednesdays after school. In the event of an early dismissal or school holiday, another day will be specified to serve detentions. Students serving a detention will be escorted to the carline for parent pick-up.
 - **Primary and Intermediate Grades**
 - **Minor Detentions** (30 minutes) (3:30-4:00pm)
 - **Major Detentions** (45 minutes) (3:30-4:15pm)
 - **Middle Grades**
 - Detentions will vary between 30 and 60 minutes depending on the violation.
 - Please refer to the Middle Grades Student Conduct and Expectations Point Sheet attached in Appendix G.
- **Level II – Disciplinary Action:** Continued or serious behavior problems may result in in-school or out-of-school suspension for a period of time, at the discretion of the administration. Suspension is the temporary removal of a student from the regular program. After a student receives two detentions in a trimester, their next offense will result in an In-School Suspension. If the student's behavior does not improve, Out-of-School Suspension and/or Expulsion is considered. Class exclusion is a method of disciplinary action that denies a disruptive student the ability to attend particular classes or school. During this time of exclusion, the student is expected to work on class assignments.
 - **Class Exclusion (In-School Suspension):** In-School Suspension is ordinarily for a period of two days or less. During this time of exclusion, the student is expected to work on classroom assignments while under the supervision of other teachers, administration or staff members. The purpose of class exclusion is to place disruptive students for periods of time, in an appropriate, supervised, in-school environment where student learning can continue. Work assigned during this time is to be completed. Assessments will be made up at the convenience of the teacher, and credit will be given. An in-school suspension results in 10 demerits for middle school children.
 - **Class Exclusion (Out-of-School Suspension):** Out-of-School Suspension is ordinarily for a period of two to five days. During this time of exclusion, the student is expected to work on classroom assignments while at home. Work assigned during this time is to be completed.

Assessments will be made up at the convenience of the teacher, and credit will be given. An out-of-school suspension results in 15 demerits for middle school children.

- **Level III – Disciplinary Action:**

In extreme cases, expulsion may be required.

- **Expulsion:** Expulsion is the permanent exclusion of a student from a school. Various situations may lead to expulsion of a student from school. These include, but are not limited to, the following offenses:
 - Acts which, in the judgment of the school, endanger the moral, academic, or physical wellbeing of the student body.
 - Prolonged and open disregard for school policy and authority by the student and/or parent(s).
 - Prolonged disrespect of other students.
 - Illegal acts as defined by law. The school may take disciplinary action regardless of whether or not criminal charges are brought.

Only the Principal, after consultation with the Superintendent of Schools, may expel a student. Full credit will be given for all work accomplished by the student up to the date of expulsion.

Conduct Reporting and Recording

Middle School (grades 6-8):

Violations of the MTC Code of Conduct will result in a loss of points and are recorded in RenWeb as Demerits and in the Middle School Student Conduct and Expectations Point Sheet. The Middle School Conduct and Expectations Point Sheet is provided to all middle school students at the beginning of each trimester. This sheet should be attached to the inside of the student planner and brought to every class each day. Middle school students will be required to maintain a certain level of conduct in order to participate in school-sponsored events such as field trips, retreats, field days, school dances etc. The behaviors listed on the Student Conduct and Expectations Points Sheet are not intended to represent an all-inclusive list and the administration reserves the right to address other behaviors which affect the Christ-like environment of our school and the learning experience of others.

Intermediate (grades 3-5):

Violations of the MTC Code of Conduct are recorded in RenWeb as Behavior Events. An automatic detention will be given for behaviors including (but not limited to) disrespect to property/person, dishonesty/cheating/copying assignments, conduct that is un-Christian or contrary to the character of a Catholic School. Conduct Reporting for Report Cards

- 0 – 3 Behavior Event Notifications = 4

- Greater than 14 notifications = 1

Primary (grades K-2):

Violations of the MTC Conduct Policy are recorded in student planners.

Students shall not threaten, assault, or cause physical injury to others; they shall not steal, extort, misuse, or damage the property of others; they shall not handle, possess or transmit weapons, drugs, or anything that is harmful to others or themselves. Students who violate the above policy are subject to detention, suspension and/or expulsion.

Corporal Punishment

Corporal punishment is not used in the Diocese of St. Petersburg.

Illegal Substances (DBS File # 5131.7-5/83):

Intoxicants or other controlled substances in any form, including, but not limited to, drugs, marijuana, beer, wine, or alcohol may not be brought, consumed, or utilized by a student on the school grounds or at any school-sponsored activity. A student shall not sell, possess, use, transmit, or be under the influence of any narcotic drug, hallucinogenic drug, amphetamine, barbiturate, marijuana, alcoholic beverage, or intoxicant of any kind. Violators shall be subject to immediate expulsion as well as any action deemed appropriate by law enforcement for violation of any law.

By acceptance of enrollment, students, their parent's or guardian's consent to and authorize all reasonable action on the part of the school authorities to enforce this rule including, but not limited to, the utilization of searches, questioning, and other investigative tools.

Proper use of a drug authorized by a medical prescription from a registered physician shall not be considered a violation of this rule. Students should not carry medications on their person while on campus. All medication should be stored in the school clinic with the appropriate medical documentation.

Cell Phones/Smart Watches/Valuables

Any cell phone brought to school or any school sponsored activity, field trip, sporting event or club must be turned off and remain put away at all times. If children must contact their parents, they should inform their teacher who will make the necessary arrangements. Any violation of this policy will result in the student's phone being confiscated and taken to the school office. Additional disciplinary actions may be taken, including but not limited to, detention. Only the parent may retrieve the item from the school office. Students are responsible for the safety of the phone and any other valuables brought to school. Kindles, tablets, smart watches and other technology from home are not permitted at school unless specific permission has been given by the principal.

Playground Rules

The following rules should be observed on the playground:

- Students must stay in the areas assigned. All other areas are off-limits.
- Students will treat all equipment respectfully.
- Students are expected to respect and obey the staff on duty and abide by the rules of safety.
- Games such as tackle football and other physical games are not permitted.
- Students will show good sportsmanship in all games and activities.

- No obscene language is permitted.
- Students should ask permission to retrieve playground equipment that goes outside of the playground area.
- A teacher and/or an aide may assign a detention and/or a demerit to a student who fails to follow playground regulations.

MEDICAL

Overview

Children are sent to the clinic when ill or have an emergency. The seriousness of the situation is then determined by the clinic and office staff (limited first aid may be given). The school will make every effort to inform parents if an accident or illness occurring at school that needs care or observation at home. Every accident in the school building, on the school grounds, at school athletic sessions, etc., must be reported immediately to the person in charge and to the school office.

Medications

If a child has a special medical condition, this information should be filed in the school office together with instructions on how to proceed. Medications that are prescribed by a physician may be administered in school. Any medication to be administered in school must follow these guidelines:

- Prescription medications and over-the-counter medications will be administered in the office when a dosage is required during school hours *only* if the medication and the completed "Parent's Request for the Administration of Medication by School Personnel" form have been given to the office by the parents or legal guardian.
- Medication *must* be delivered to the school office in the container in which it was dispensed by the pharmacist or purchased.
- A separate supply of medication *must* be kept in the school office. Medication will *not* be transported between home and school on a daily or weekly basis.
- The label *must* indicate the child's name, name of the medication, physician's name, dosage/amount, and time/frequency.
- If the medication requires equipment for administration (cup, spoon, dropper, etc...), the parent is responsible for supplying the equipment, labeled with the child's name.
- When medication is discontinued, or at the end of the school year, medications not taken home by the parent/guardian will be destroyed.
- Epi-Pen: Parents must complete the ["Authorizations for Emergency Injection for Severe Allergy" form](#) for request/permission for epinephrine to be given at school.
- Inhaler for Asthma: parents must complete the ["Authorization to Carry Metered Dose Inhaler for Asthma" form](#) to request and give permission for their child to be allowed to carry his/her MDI (Metered Dose Inhaler).

Whenever possible, medication schedules should be arranged so all medication is given at home. The same rule applies to the dispensing of over-the-counter medications such as allergy medications, acetaminophen, ibuprofen, cough/cold medications and sore throat/cough lozenges. Any medication must be brought to the school by the parent or legal guardian. **For the safety and wellbeing of all students, we ask that students never transport medications or drugs. Serious consequences will follow for students who do not follow this rule.**

Immunizations

Catholic Schools within the Diocese of St. Petersburg require all students to submit a valid Florida Department of Health Certificate of Immunization Form DH 680 through their physician as provided for in Florida Statute 1003.22. Catholic Schools in the Diocese of St. Petersburg do not recognize religious or conscience objections to this immunization requirement. However, properly documented medical exemptions will be considered on a case-by-case basis.

Medical Exemptions

All medical exemption forms, whether for a temporary or permanent exemption, must be sent to the Superintendent of Catholic Schools for approval prior to the student's acceptance into the Catholic school. For each vaccination that the student is seeking an exemption, a licensed physician must list a contraindication and the physician's specific valid clinical reason for the contraindication. The school will not accept contraindications not currently included as a contraindication by the Centers for Disease Control and Prevention ("CDC"). The school will not accept Form DH 680 without a written signature from a physician currently licensed by the State of Florida. If the exemption Form DH 680 is not visible on the Florida Shots website (www.flshots.com) and is not the same as the form sent to the Superintendent to approve, the student will not be able to enroll in the school. The Superintendent must be able to see the DH680 form certified and registered by the physician on the Florida Shots website before approval is granted for the student to enroll and attend school.

For More Information

More information about required school immunizations is available at the floridahealth.gov website.

Health Screenings

Scoliosis screenings are available annually to applicable grades.

Insurance

Coverage for the school day and school events (outside regular school hours) is covered in the charges within the registration fee. This is supplemental insurance only and is not a substitute for the parents' primary insurance. It is a Diocesan requirement that all school children have insurance coverage. Twenty-four-hour coverage is available upon request for an additional premium. This policy runs from the beginning of the school year until the last day of student attendance. To file an insurance claim, the accident must be reported to the school office promptly following the accident. Claim forms are available in the school office and must be completed and returned to the school for mailing to the insurance company within 30 days of the accident.

Accidents

Accidents should be reported immediately to the person(s) supervising the children or to school office personnel (this is for insurance purposes). Failure to do so will result in NO insurance coverage from the school. Parents should thoroughly instruct their child(ren) in this procedure. Parents are notified of the accident when

necessary, although it may not be necessary for the child to receive immediate medical care or leave the school. In extreme cases, paramedics will be called to render medical treatment.

DRESS CODE

Overview

Uniforms are worn by all students at Mother Teresa of Calcutta Catholic School. The uniform policy creates equality among students, and uniforms are worn both as a symbol of school unity and school pride. The wearing of uniforms is to be a cooperative effort among parents, students and staff. The school has the responsibility for maintaining an atmosphere conducive to learning, and uniforms serve to enhance that atmosphere. Students and parents share the responsibility for proper dress and grooming. If a part of the uniform is not worn, the student must present a written note from a parent or guardian. This note may be given to the office for approval and then returned to the homeroom teacher. Notes after-the-fact will not be accepted. If a student is not in regulation uniform, parents may be called to pick up the student. Although it is the homeroom teacher's duty to check their students daily for adherence to the uniform policy, any teacher may correct a student or issue a detention, a demerit and/or a uniform violation slip.

SCHOOL AND STUDENT SAFETY

Overview

Mother Teresa of Calcutta Catholic School is committed to providing a safe and secure environment for all students. To this end, the following safety procedures are in place on the MTC campus:

- All visitors to Mother Teresa of Calcutta Catholic School must report to the school office to sign-in and obtain a visitor's badge. All guests that are not Safe Environment trained must be escorted by school staff while on campus.
- While on campus, all visitors are asked to use the restrooms in the office.
- No parent may attend a field trip or other such event without authorization from the school office. All chaperones, homeroom mothers, and HSA Board Members must be approved volunteers.
- In keeping with the Diocesan policy, Mother Teresa of Calcutta Catholic School has procedures in place for handling emergencies (see below in this section). Parents and students are expected to follow the directions of the school in the event of an emergency.
- In a weather-related emergency, Mother Teresa of Calcutta Catholic School follows the school closing guidelines from the Diocesan Office of Catholic Schools.
- Safety procedures such as fire drills, lock downs, and tornado drills are routinely conducted throughout the course of the school year with the students.
- Mother Teresa of Calcutta abides by the U.S. Council of Catholic Bishops' *Charter for the Protection of Children and Young People*, which mandates training for individuals who come into contact with children and youth and to help recognize, report and prevent child abuse, including sexual abuse.
- Reporting of Child Abuse & Neglect: The state of Florida mandates to report all suspicions immediately to the Bureau of Child Protective Services. Under the directives of the State and the Diocese of St. Petersburg, we fully comply in the reporting of suspected child abuse.

Inclement Weather Procedure

Every adverse weather event is different, and weather decisions at MTC School may or may not be the same as those of other schools in the Diocese or the county. Circumstances permitting, Mother Teresa of Calcutta Catholic School will attempt to relay closures via RenWeb Instant Alert; text, voicemail, email. We encourage you to make this your first source of school information during weather contingencies. The local media will remain a backup means of notification for inclement weather decisions. Ultimately, parents have the decision as to whether it is safe for their child to come to or be at school. If MTC School is not closed, and the child is not at school, he/she will be marked absent. If parents decide to sign their child out early, and school is still in session, he/she will be marked tardy.

Emergency Procedures

The Emergency Planning Committee of Mother Teresa of Calcutta Catholic School has developed emergency procedures for the school, as mandated by the Diocese. Various community resources, such as fire and police departments and the Office of Emergency Preparedness, have been consulted in the course of developing these procedures. Specific personnel assignments have been made, equipment has been procured, the school's emergency fire plan has been updated, and a quadrant map of evacuation areas has been developed. A yearly faculty review of the school's emergency procedures is conducted.

Emergency procedures include:

- Principal or designate will communicate to the faculty and staff an emergency code and sound alarm when an emergency occurs.
If necessary, faculty and staff will evacuate children by class groups to fire drill area on school grounds or to more distant staging areas (1/4, 1/2, and one-mile radius locations). Choice of staging area will be determined by the nature of the emergency
- If evacuation beyond school grounds is necessary, children will be escorted to the appropriate staging area. Principal or designate will attempt to notify parents via RenWeb Instant Alert; voicemail, text and email.
- In the event of a tornado warning southwest classrooms may evacuate to northeast classrooms. This is recommended due to typical southwest direction of tornado strikes.
- If a gas spill occurs, do not attempt to pick up your children by car or other motorized vehicle, as gas is highly explosive. Everyone must walk to evacuate.
- If a bomb threat occurs, no one will be permitted to enter the school building. Everyone will evacuate immediately. Cars will not be permitted to drive in and out of the school driveways and parking lots while a bomb threat exists.
- Parents are requested to keep calm, especially in the event of an emergency requiring pick-up of children at an evacuation area other than the school grounds. Please follow all directives of the principal, faculty, and staff in order to protect the safety of your children. Do not interfere with the general evacuation procedure in order to remove your own child or children. Remember that necessary emergency information will be communicated via RenWeb Instant Alert; voicemail, text and email.
- In the event we must move the children, it will depend on the location of an emergency as to whether we go north, south, east, or west.

Environment Safety

The maintenance department and the principal maintain the school's Asbestos Management Plan, Radon Testing Survey, and Bloodborne Pathogens Exposure Control Plan.

MTC FOOD ALLERGY DISCLAIMER

While MTC strives to ensure the safety of all students, please be advised that our menu items may contain allergens, may have come in contact with items containing allergens, and may be subject to contamination or cross-contamination with certain allergens during the manufacturing process. In addition to our cafeteria items, our campus permits students to bring cold lunches and snacks from home. As a result of any number of factors which are beyond the control of our faculty and staff, MTC cannot guarantee an environment free from any particular food allergen.

Parents concerned with food allergies need to be aware of these possibilities and are encouraged to inform both the school nurse and their student’s teacher(s) of their child’s specific needs. If a student will be eating school-provided foods, it is the responsibility of the parents to review the menu and make an informed decision as to whether their child will be eating school-supplied food or bringing food from home on any given day. Because

of the diverse nature of allergies present within our school community, parents of students with particular allergenic dietary requirements are responsible for ensuring that their child is provided with meals and snacks suitable for their needs. MTC will not assume liability for adverse reactions to foods consumed, or other food items with which students may come into contact, while on our campus.

PARENT INVOLVEMENT

Overview

Mother Teresa of Calcutta Catholic School believes that all education of our students is a partnership with our families. We encourage parent involvement through our Parent Service Hour Program. As a faith community, our first instinct is to assume that each of us—teachers, administrators, parents, guardians and other care-givers—has the child’s best interest at heart. The Code of Conduct for Parents, Guardians, Volunteers, and Visitors of Catholic Schools in the Diocese of St. Petersburg can be found in Appendix F.

Service Hours

All families at MTC are required to perform service hours. Each hour is worth \$20. Families with one student must perform at least 10 hours per year; families with two or more students must perform 20.

Typical service hour opportunities include chaperoning field trips, helping in the cafeteria, and working at school events. Leadership roles, such as coaching, chairing an event, holding an HSA office, or serving as a homeroom parent cover all required service for the year. In addition, classroom or school donations also count toward service.

Families who do not fulfill their service hour requirement will be billed for any unfulfilled hours at the end of the school year.

Service hours are nontransferable and do not carry over to the following year.

Hours are earned for school events only; hours for parish-related events will not be accepted. **To receive credit for service hours, parents must record them in Renweb and provide receipts for purchases to the front office for verification.**

Volunteer Policy

A Diocesan background check and Safe Environment Training are mandatory for all volunteers in a student supervisory position. All volunteers at Mother Teresa of Calcutta Catholic School must complete a "Level II" background screening (which includes fingerprints), Safe Environment Program training and other administrative items including the written volunteer application vetting process. No one may work with MTC children until references are processed, the Safe Environment Program training is taken, and a "Level II" background check has been completed. "Working with children" means being in a position to supervise the children. Traveling as a chaperone on a field trip is "working with children." Manning a booth at the Fall Fest is not “working with children” because the children are under the supervision of their own parents at such events. More information about how to become an approved volunteer can be found on our website.

A signature acknowledging you have read and agree to abide by this handbook indicates you have read and agree to abide by the policies and procedures governing volunteers.

This is an important time of the day for all children because this is the time we use for unpacking, writing in planners, sharpening pencils and preparing for the day.  - Cell phones should not be used during carline.
 - If parents need to drop off items in the office or have business at the school, the office will open at 7:45 a.m. Exceptions will be made for parents/guardians who have scheduled morning conferences with teachers.

This special badge is good for one academic year. To obtain this special badge, please see Mrs. Gillies in the main office any day between 7:45 am and 2:30 p.m.

Buses/Nursery Vans/Car Pools: Those who transport Mother Teresa of Calcutta Catholic School students by bus, nursery van, and car pool are responsible for seeing that their vehicles are in proper condition, have appropriate insurance and adhere to all local and state laws. Mother Teresa of Calcutta Catholic School is not responsible for any of the above since these vehicles are not owned or operated by the school or school personnel.

Custody Issues

The school abides by the decisions of the court with respect to the rights of non-custodial parents. When a court order is served, divorced or separated parents are required to provide the school office with a court-certified copy of the custody section of the court order. Parents are not to attempt to involve the school in their personal legal issues.

Messages for Students

In an effort to avoid distractions to the learning environment, messages and forgotten items will be delivered to students via the school office only in emergency situations. Parents should make any changes to normal routines before the school day begins, as the office cannot guarantee timely delivery of messages during the school day. We have two delivery times during the day: the first is at lunch and the second just before dismissal in their homeroom. If an item is brought to the front office before 10:30 it will be brought down to the lunchroom and given to the student at lunch. If something is brought in, or a message needs to be delivered, after 10:30 it will be given to the homeroom teacher at the end of the day. This will minimize the disruptions in the classroom so that the focus is on the learning and not on the visitor to the classroom.

Updating Information

Change of physical address, email address, and/or phone numbers, as well as other pertinent information, needs to be reported to the school office immediately. Emergency numbers are needed in case a parent cannot be located. Please be sure these names/numbers and local contacts are current. Permanent records, including health records, are kept up to date at all times. Parents are permitted by law to see the child's file at any time, provided ample notice is given to the admissions director or administrator(s).

Home and School Association

The Mission of the Home School Association (HSA) of Mother Teresa of Calcutta Catholic School is to provide support through fundraising efforts for the purpose of enriching the educational experience of the students. By

sharing individual gifts of time and talent, HSA Board Members serve as positive fundraising ambassadors for the school.

Communication with Parents/Guardians

Communication between the school and the home takes place through a variety of ways:

- **Agendas:** The purpose of the agenda is to ensure that your child has communicated to you his/her assignments. Children are required to write down their homework assignments in their agenda and to have their agenda with them during all classes. The Middle School Student Conduct and Expectation Sheet is to be stapled to all middle school students' agendas. This expectation sheet communicates to parents their child's conduct. If agendas are lost or damaged, a fee of \$8.00 will be assessed for replacement.
- **Friday Folders:** Children in grades K-5 bring home a folder every Friday that contains graded papers/tests/quizzes. Graded papers/tests/quizzes are returned to middle school students as soon as they are graded. Flyers and information from the office are usually distributed every Friday to the youngest or only child.
- **Email:** Please feel free to email the office or teachers with questions, comments, or concerns.
- **RenWeb:** The school communication system is RenWeb. Students' classroom grades are posted weekly.
- **Newsletter:** Our weekly newsletter is filled with valuable school information. If you are not receiving a weekly newsletter via email during the school year, please contact Mrs. DeMicheli at enrollment@mtctampa.org
- **MTC Website:** Information is updated on a regular basis.
- **Parent-Student Handbook:** The Handbook contains the rules and regulations of Mother Teresa of Calcutta Catholic School. It is the responsibility of both the parents/guardians and students to read and adhere to the contents of this handbook.
- **Open House:** Valuable information is shared during Open House Nights. Parents are strongly encouraged to attend.
- **Progress Reports:** Progress reports are emailed to parents at the halfway point in each trimester.
- **Report Cards:** Report cards are issued at the end of each trimester.
- **Parent-Teacher Conferences:** Conferences between parents and teachers are welcomed. Two days a year are officially allocated for Parent -Teacher Conferences; however, conferences can be arranged at other times during the school year by emailing the teachers. In the event that a problem arises concerning your child, every effort should be made to communicate with the teacher prior to contacting administration. Parents are requested not to call teachers after hours or try to meet with teachers without an appointment. All teachers have assigned supervisory duties to attend to.
- **Parent-Principal Conferences:** Any parent wishing to schedule a conference with the principal should email Mrs. DeMicheli for an appointment. The principal will be available for parent conferences by appointment and will address issues with parents promptly. Generally speaking, any student or class related issue should be addressed with the particular teacher before conferencing with the principal.

- Home-School Committee Meetings: Open Home-School Committee meetings are held periodically in the school cafeteria. The dates for these meetings are published in our weekly newsletters. These meetings are held in the school cafeteria, parish center or via Zoom.
- Calendar: Published on the website. Please be advised that this calendar is subject to change.

COMPLIANCE WITH SCHOOL PHILOSOPHY

Overview

Parents who choose to send their children to Mother Teresa of Calcutta Catholic School agree to follow and uphold all school policies. Enrollment verifies that the parent is aware of and will comply with all school regulations as contained in the handbook. As it is impossible to foresee all issues that may arise related to student behavior and choices, parents and student agree to abide by the spirit of the handbook as well as its specific guidelines. The school administration retains the right to amend the handbook at any time for just cause. Parents will be given prompt notification when changes are made.

APPENDIX A

ATTENDANCE POLICY OFFICE OF CATHOLIC SCHOOL AND CENTERS DIOCESE OF ST. PETERSBURG

Attendance (K-8)

Success in any field requires a continuous daily effort. Nowhere is this truer than in education. The quality of learning for any student reflects the regularity with which he/she attends classes. Our attendance regulations have been formulated as a means of helping our students develop habits which will serve them best while in school and in later years.

State of Florida law requires those children between the ages of 5 and 16 attend school. Regular attendance and punctuality have a marked influence upon scholastic achievement. Attendance is an essential element to good progress in school.

School calendars are distributed to families to aid them in planning family vacations. Schools strongly encourage families to plan vacations during scheduled school vacations. Any vacation related absences will be included in the student's total number of absences.

Parents/guardians must notify the school office of a child's absence at 813-933-4750 or <https://mtctampa.org/parents/absences> prior to 9:00 a.m. As a safety procedure, if a child is absent and the parents have not called, the school will attempt to contact the parents. When a student is absent, the school must receive communication from parents/guardians explaining the reason for the absence, either voice message or electronic. The communication must include 1) the child's full name, 2) dates of absence, and 3) the nature of illness or reason for absence.

In the case of prolonged medical absence, three or more days, parents should call the office before 9:00 a.m. for missed class work and homework, so the work can be prepared and be ready for pickup at dismissal time. Due to teaching schedules it may take up to 24 hours to have materials prepared for pickup in the school office. Based on the number of days absent and the amount of work missed, a reasonable amount of time will be allowed for its completion.

Ten (10) tardies in a trimester are considered excessive. A notification will be sent home on the tenth tardy. A conference with the school counselor and homeroom teacher will be mandatory.

Six (6) absences in a trimester are considered excessive. A notification will be sent home on the sixth absence. A conference with the school counselor and homeroom teacher will be mandatory. On the seventh absence, consequences may be given. If your child is going to be out for any length of time due to a family commitment, please send a note to the school office at least a week in advance.

Students should not be permitted to return to school unless well enough to participate in school activities. Students must be present for at least four (4) hours of the school day to be considered present that day. In order to participate in any after school activities, including the extended day program, students must be present on that day. Students who are absent more than 20 school days during the year may be under administrative review for academic retention and may be asked to withdraw from Mother Teresa of Calcutta Catholic School.

Students who are absent are required to make up work missed in each class. If a student is out for only one or two days, upon return to school, the student should meet with the teacher about the work missed.

The student will be given a deadline by the teacher to complete and turn in these assignments. It is the responsibility of the student to see that the work is completed. The student may log on to the portal to check the homework missed. If work is not made up by the deadline specified by the teacher, the grade for work missed will be recorded as a "0."

Any student who is absent on the day of a scheduled summative assessment will be expected to make it up upon his/her return to school. For every day a student is absent, he/she has that number of days to make up the summative assessment (Ex. 1 day missed = 1 day for summative assessment.) It is the student's responsibility to speak with his/her teacher regarding missed assessments. In the event of multiple-day absences, the teacher will determine when all assessments will be taken.

APPENDIX B

Best Grading Practices

Best Grading Practices (K-8)

Office of Catholic Schools and Centers

Diocese of St. Petersburg

A. Philosophy

We believe ...

- Students should have a clear understanding of the learning objectives.
- Our system of grading should be timely, specific, fair and accurate.
- Grades should be based on a well-defined set of standards.
- Grades should be an accurate measure of a student's ability to demonstrate understanding.
- Criteria that are not a direct measure of student learning, such as work habits and behavior, should be reported separately from the academic grade.
- Assessments are critical to the teaching and learning process.

B. Purpose of Assessment

An assessment is defined as any instrument that is able to indicate or provide feedback on student achievement or performance. The purpose of an assessment may be summarized as follows:

1. To provide information to students in regard to their progress towards mastery of a learning standard(s). In addition, it provides information for self-evaluation and the incentives to learn.
2. To provide information to teachers on the individual student's level of mastery of the content/skill.
3. To allow teachers to use assessment data to plan instruction that will meet the needs of students.
4. To communicate information to parents about student achievement and performance in school.

C. Types of Assessments

While assessments will take many forms and types, they will be grouped under two broad categories.

Formative

Whenever a student learns new material, he or she needs time to practice and gain familiarity with the material. It is expected that the student will make mistakes during this learning process. Any work done during this learning period is considered *formative*. The purpose of a *formative* assessment is to evaluate where a student is in the learning process, diagnose any problems, and motivate and help the student learn the material. Formative assessments also inform the teacher of learning areas that may need reinforcement

or re-teaching.

Summative

After a student has had instruction and practice on a topic, including assessments of a formative nature, it is then necessary to evaluate mastery of understanding, content or skills. The purpose of a summative assessment is to evaluate how well a student knows and understands the material.

D. Purpose of Grades

A grade is a recorded score derived from an assessment or assessments. The purpose of grades may be summarized as follows:

1. To provide information to students with regard to their performance relative to the learning standard(s).
2. To provide information to teachers on the individual student's level of mastery of the content/skill.
3. To communicate information to parents about student achievement and performance in school.
4. To document student performance for transcripts.

E. The Grade Composition

In order to represent an accurate measure of student performance, the academic trimester grade needs to be based on work that is evaluated for an appropriate level of mastery of the standards. Summative assessments will therefore be the primary constituent of the trimester grade. They will account for no less than 70% of the trimester grade. Formative assessments will account for no more than 30% of the trimester grade.

1. All grading is done using the 100-point scale.
2. The lowest "earned" grade is 50.
 - a. An "earned" grade is derived from any assessment that is attempted and handed in.
 - b. An attempted assessment is one where the student has made a diligent attempt to follow the instructions and complete the assessment.
3. Assessments not attempted or not handed in will receive zero points.

Completed student work will be assessed and is a direct measure of student learning. Non-academic attributes will be reported separately. Please see *Section G: Reporting Conduct and Approaches to Learning*.

F. Grading Scale

Letter Grade	% Score
A	90-100
B	80-89
C	70-79
D	60-69

F	50-59
----------	-------

G. Reporting Conduct and Approaches to Learning

Our Catholic schools recognize that the cultivation of good behavioral and learning habits and behaviors support learning in the long run.

Conduct

While schools may create their own rubric for Conduct, the principles of Respect and Responsibility should be the focus for conduct behaviors. The following are the indicators of Respect and Responsibility.

Respect

- Demonstrates a good attitude
- Is respectful to adults and peers in speech and action
- Maintains positive peer relationships
- Respectful of personal, peer, and school property

Responsibility

- Exhibits self-control
- Follows directions and does not need constant reminders
- Socializes only at appropriate times
- Takes ownership for behavior

The following is an example of a rubric for the reporting of *Conduct*:

Conduct Code	Respect	Responsibility
4 Exceeds	Consistently respectful, kind and cooperative.	Consistently follows school/classroom rules and directions.
3 Meets	Frequently respectful, kind and cooperative.	Frequently follows school/classroom rules and directions.
2 Developing	Occasionally respectful, kind and cooperative.	Occasionally follows school/classroom rules and directions.
1 Needs	Needs improvement to respectful, kind and cooperative.	Needs improvement to follow school/classroom rules and

Improvement		directions.
--------------------	--	-------------

Approaches to Learning (ATL)

While schools may create their own rubric for ATL (See Appendix H and J Record Sheet and Rubric), the principles of Organization, Communication/Collaboration and Reflective Thinking should be the focus for all ATL behaviors. The following are indicators of Organization, Communication/Collaboration and Reflective Thinking.

Organization

- Prepared for class
- Punctual with homework and in-class assignments
- Completed homework and in-class assignments

Collaboration & Communication

- Participates in class
- Attentive and engaged during instruction
- Demonstrates helpfulness and teamwork

Reflection & Personal Initiative

- Open to teacher help and correction

H. Other Matters on Assessment and Grades

1. Honor Roll

Honor Roll is awarded to students who encompass merit and integrity that results in academic and behavioral success.

Honor Roll eligibility is determined by:

- a. Grades in all subject areas
- b. Approaches to Learning (ATL) in all classes
- c. Conduct in all classes

Students can earn Principal's Honors or Honors. Eligibility requirements follow:

Principal's Honors

- No grade lower than an A
- 3 or 4 in ATL
- 3 or 4 in Conduct
- 3 or 4 in Library Media Skills and Handwriting

Honors

- All grades are a B or higher
- 3 or 4 in ATL
- 3 or 4 in Conduct
- 3 or 4 in Library Media Skills and Handwriting

2. Make-Up of Academic Work during Absence

Students who are absent are required to make up work missed in each class. If a student is out for only one or two days, upon return to school, the student should meet with the teacher about the work missed. The student will be given a deadline by the teacher to complete and turn in these assignments. It is the responsibility of the student to see that the work is completed. The student may log on to the portal to check the homework missed. If work is not made up by the deadline specified by the teacher, the grade for work missed will be recorded as a zero.

In the case of prolonged absence, three or more days, parents should call the office before 8:30 a.m. for missed class work and homework so that the work can be prepared and be ready for pickup at dismissal time or sent via e-mail. Based on the number of days absent and the amount of work missed, a reasonable amount of time will be allowed for its completion.

Homework assignments for extended absences should be arranged with the teacher. Parents may pick up

textbooks, if necessary, at the end of the school day but should email the teacher by 10:00 a.m. to arrange this. Requests for homework should be made by contacting the classroom/subject teacher. Due to teaching schedules requests may take up to twenty-four hours to be completed.

3. Make-Up of a Scheduled Summative Assessment during Absence

Any student who is absent on the day of a scheduled summative assessment will be expected to make it up upon his/her return to school. For every day a student is absent, he/she has that number of days to make up the summative assessment (Ex. 1 day missed = 1 day for summative assessment.) It is the student's responsibility to speak with his/her teacher regarding missed assessments. In the event of multiple-day absences, the teacher will determine when all assessments will be taken.

4. Retakes

*The focus of our Catholic schools is to always encourage and support the learning process that leads to mastery. This retake policy supports this emphasis on learning and relearning. Teachers have the discretion to refuse retakes to students who do not fully engage in the learning process prior to the summative.**

Criteria for Summative Retake Eligibility

Grades K-2

- All students are eligible for a retake assessment.
- Retakes can earn up to an 80%.
- The higher grade (out of the retake or the original grade) will be recorded for credit in the grade book. The highest possible grade on the retake is 80%.
- The retake assessment will cover all of the same standards but may not be the same format.
- The retake process is initiated by the teacher. The teacher will communicate with the parent when a retake is necessary.
- Students may be required to participate in additional practice in order to qualify for a retake.

Grades 3-5

- All students are eligible for a retake of up to 3 summative assessments per trimester.
- Retakes can earn up to an 80%.
- The higher grade (out of the retake or the original grade) will be recorded for credit in the grade book. The highest possible grade on the retake is 80%.
- The retake assessment will cover all of the same standards but may not be the same format.
- The retake process must be initiated by the student or the parent/guardian.
- The Application for Retake should be completed and signed by both the student and the parent/guardian and returned to the examining teacher no more than two (2) school days after the grade has been posted.
- Students may be required to participate in additional practice in order to qualify for a retake.

Grades 6-8

- All students are eligible for a retake of up to 3 summative assessments per trimester.

- Students may be required to participate in additional practice in order to qualify for a retake.

Limitations and Deadlines

- Only one retake is allowed per summative.
- While students in grades 3-8 can sign up to take multiple retake assessments, students only have 45 minutes to complete the assessments offered that day. Therefore, if a student is applying to take multiple retakes in one day, it is recommended they take the assessment they scored the lowest on first. Students will not be given another Tuesday to complete the assessments that are being offered on that particular Tuesday.
- All notes, assignments, and formative assessments must have been completed prior to the original summative assessment.
- Trimester exams and summatives that are extended projects with ongoing feedback and clear completion deadlines do not qualify for retakes.
- The student will forfeit the retake opportunity if either the scheduled retake date or a scheduled teacher required additional practice is missed, unless excused or rescheduled by the teacher.
- Teachers reserve the right to deny a student from a retake before, during, or after the retake form is completed if the teacher can show due cause as to why there should not be a retake. This may include, but is not limited to, situations that involve academic dishonesty.

Application for Retakes

- Grades 3-5 – Application for Retakes can be found on the MTC Parent website under “Academics.”
- Grades 6-8 – Application for Retakes can be found in the classroom and on grade level Educator Pages.

APPENDIX D

Extracurricular Eligibility (K-8) Office of Catholic Schools and Centers Diocese of St. Petersburg

Participation in a school sponsored extracurricular, i.e. sports, junior varsity, varsity, drama, robotics, etc. is a privilege that requires a student to balance participation times, games and their academic responsibilities. In order for students to maintain eligibility to participate in extracurricular sports and activities, students must maintain at least a “C” average (70%) in all subjects and have at least a "3" for all ATLs and Conduct. Students with a Student Support Plan may have alternative criteria and will be assessed by teachers for consistent academic effort. Eligibility is checked at the time of tryouts and bi-weekly thereafter. Students found ineligible at these times, will not participate in practices, games or other activities related to the extracurricular sport/club until they meet grading, conduct and/or ATL requirements. Students who have below a 3 for either ATL or conduct can meet with the Athletic Director or Principal to develop a plan to regain eligibility. Eligibility will be checked by the athletic director Monday mornings at 8:00 a.m. for the week of extracurricular eligibility. If a student does not meet these requirements, they will be ineligible for games, practices, and/or meetings of the week beginning on Tuesday afternoon. The athletic director will inform the student athlete and notify the parents/guardians by email regarding eligibility status.

If a student is serving a detention the day of an extracurricular activity, he/she will not be able to participate in the event until after the detention is served. Students may not participate in an extra-curricular activity on the day he/she serves an in/out of school suspension.

All students must demonstrate exemplary conduct during practices, games and/or productions. Poor conduct at practices, games and/or productions can result in ineligibility, suspension or expulsion.

Students must be present for a minimum of 4 hours of the school day in order to be considered eligible for an extracurricular activity. If a student is absent from school or leaves school early due to illness (even if they meet the 4 hour minimum), the student cannot participate. If the activity is on a Saturday, the student must be at school on the Friday before. If a student is shadowing at a high school, it is the student’s responsibility to get a shadowing form signed by the high school office, at the end of the day, to ensure they are present. The shadowing form needs to be turned in to the athletic director or school office to ensure eligibility for their game.

The athletic director, adviser, or coach, in consultation with the principal, reserves the right to suspend or remove any student from the school sponsored activity. The principal does have the discretion to adjust the consequences as needed.

“In Unity We are One in the Lord”

***A Code of Conduct
for
Parents, Guardians, Caregivers,
Volunteers, and Visitors
of Catholic Schools
in the
Diocese of St. Petersburg***

“Search Me, O God, and Know My Heart”

-Psalm 139

This **Code of Conduct** applies to all parents, guardians, caregivers, volunteers, and visitors who are present at school and school-sponsored activities, meetings, and/or functions within and outside of school hours.

Code of Conduct for Catholic Schools in the Diocese of St. Petersburg

The school is a multifaceted organization comprising a diversity of populations that have distinctive relationships to one another. Relationships are at the very core of our Catholic Christian belief in our Triune (three persons in one) God. The Holy Trinity is God in relationship! This beautiful doctrine inspires all of us in Catholic Schools, to attempt to be a living Christian community in relationship with God and others. It is essential in such a community that all members recognize and respect not only their own rights and responsibilities but also the rights and responsibilities of other members of the community and those of the school itself. “All rights have to be balanced by responsibilities because we are in relationship” (Putney, 2005).

The responsibility for promoting and upholding these core values of the school community must fall on all those with the greatest capacity to reason and control their actions. Therefore, it is the expectation of the school that all parents/guardians/caregivers/volunteers and visitors model acceptable behavior always within the school setting, at school sponsored activities or when the school can be involved in any social or professional media. “It is incumbent upon parents to cooperate closely with the school teachers to whom they entrust their children to be educated; and in fulfilling their duty, teachers are to collaborate closely with parents who are to be willingly heard and for whom associations or meetings are to be inaugurated and held in great esteem” (*The Code of Canon Law*, Canon 796, Para. 2).

As a parent, celebrate that you play a foundational role in the development of your child's sense of justice, equity, and worth together with all members of the school community. You are one of the most instrumental role models within your child's life. “Since parents have given children their life, they are bound by the most serious obligation to educate their offspring and therefore must be recognized as the primary and principal educators” (*Gravissimum Educationis*, 1965, para. 3).

All Catholic schools are private property; This Code is designed to guide all stakeholders in their dealings with staff, other parents, students, and the wider school community.

In living out the Gospel values, we strive to create a safe environment for all stakeholders developing:

- An inclusive and welcoming attitude towards all people
- An ability to appreciate the situation of others
- A cooperative attitude in working with others
- An open, positive and honest communication
- The ability to work civilly with other people
- A reverence for Creation
- Trusting relationships
- Responsible actions

As a Parent, Guardian, Caregiver, Volunteer, and/or Visitor, we ask that you:

- Support in words and actions the philosophy of Catholic Education
- Work in trust with the school for the common goal of achieving what is best for all
- Communicate with the school in a supportive manner, which does not interfere with the administrative functioning of the school
- Support your child/ren in all educational endeavors by giving praise and showing interest in school activities
- Model flexibility and encourage healthy problem solving
- Help your child/ren to understand that 'giving of your very best' is what matters rather than always comparing yourself against the capabilities or achievements of others
- Listen to your child/ren, but remember that a different version of the event may be interpreted by others
- Understand the importance of a healthy parent/teacher/child relationship and communicate any concerns to your school in a constructive and appropriate manner
- Validate that both parents and teachers work together for the benefit of the child/ren
- Observe the school's policies, as outlined on the school webpage and/or the school's handbook and endeavor to support them in the home
- Cooperate where your child's behavior has overstepped accepted school standards, as outlined in the Student Code of Conduct, and follow specified protocol for communication with faculty/staff members
- Support the school in its efforts to maintain a positive teaching and learning environment
- Refrain from engaging in gossip and hearsay, in person and on social media
- Sustain a positive and co-operative attitude and interact positively with other parents and community members
- Value the school community and its reputation especially when engaging with social media
- Do not smoke on school premises
- Do not use offensive language on school premises or at school sponsored events

Rights of a Parent, Guardian, Caregiver, Volunteer, and Visitor:

- To be treated with respect and courtesy by staff, students and other parents
- To be listened to, and clearly communicated with by the school, regarding your child/ren's education and development
- To have confidentiality over sensitive issues respected by faculty/staff
- To be treated in a caring and polite manner
- To have a timely response to concerns raised
- To be treated with professionalism by all faculty/staff members

Specific Guidelines for a Parent, Guardian, Caregiver, Volunteer, and Visitor:

- Value and advocate for your school and its reputation. Be mindful of the hurt and damage social media may cause to the school, other children, faculty/staff members, and other parents
- Refrain from making openly hostile written or verbal comments about school personnel or engaging in aggressive public defiance and challenge of Catholic truths or morality.
- Under no circumstances approach another child while in the care of the school to address, discuss or reprimand them because of actions towards your own child/ren
- Respect the rights of faculty/staff members and other individuals
- Respect the reputation of teachers and be mindful of communications especially social media
- Follow the correct procedures and chain of command to resolve a problem or conflict, as outlined in the school's handbook
- Respect teachers' and administrators' time before, during, and after school. Make an appointment for discussions at a mutually convenient time. If you wish to speak to a teacher or administrator, please do not expect a meeting unless it is pre-arranged
- On excursions, helping in class or on campus, parents must follow the instructions and directions of the teacher. A parent may remind students of the rules but at no time issue consequences and should refer the student to the teacher if the behavior continues
- As valued members of the school community attend and participate appropriately in school liturgies or special events including athletics, concerts, academic and cultural events

Communication Process for a Parent, Guardian, Caregiver, Volunteer, and Visitor:

Our Catholic schools want to work in partnership with our families. If anyone has a **current complaint, criticism, or concern**, it is expected the following steps be followed:

1. Speak to the appropriate school person involved (e.g. class teacher) first and try to resolve the concern with mutual respect and clear communication. Where/if possible make an appointment with the relevant person. Follow the chain of command.
2. If for some reason this is not possible, then make an appointment to see an administrator, or other designated leadership personnel
3. The Administrator (or designee) should attempt to mediate and find resolution in the presence of both parties
4. If, having followed Steps 1-3 with no satisfaction, you may complete the Parent Concern Form found on the website of the Diocese of St. Petersburg - Office of Catholic Schools and Centers for further facilitation

Deliberate breaches of and/or demonstrated inability to comply with these guidelines, may result in exclusion of a parent, guardian, caregiver, volunteer, and/or visitor from a school, and/or possible termination of enrollment of their child/ren.

If your complaint relates to allegations of Physical or Sexual Abuse by a faculty/staff member towards a child in both an historical or current matter, you should, in the first instance, contact the police and/or Department of Children and Families.

Parents, Guardians, and/or Caregivers, when signing off on accepting the school's policies in the Enrollment Application Form, and by the act of accepting enrollment at a Diocese of St. Petersburg catholic School, are accepting of this Code of Conduct in its entirety.

Excerpts of this policy have been used by permission of the Diocese of Townsville, AU. Revised 7/2022

Enrollment & Financial Agreement

_____ I understand that continuous enrollment means that Mother Teresa of Calcutta Catholic School (MTC) student(s) will return to MTC every year unless I notify the school otherwise or the school administration makes the decision that my student may not return. I understand that I have the responsibility each year to inform the Admissions Office of any changes in my enrollment plans for my child(ren). I understand that the signing of this Continuous Enrollment Agreement and that my current financial agreements in FACTS for this current school year will apply to all school years going forward until I notify MTC of any changes or plans to withdraw my child(ren). If my child is currently on a scholarship, I agree to a 10-month payment plan. I agree to keep our student's demographic information updated in ParentsWeb. I agree to the financial policies set forth in this agreement and acknowledge that we will review the Parent/Student Handbook each year for any changes to those policies. I agree to fulfill all financial obligations promptly. I understand that MTC will publish the following school year's tuition rates in the spring and send an email to families when the new year's rates become available. At that time, if you cannot afford the new tuition rate, the school will refund your re-enrollment payment if you notify the school within 10 days of when the rates are published.

_____ I understand if I breach this agreement by withdrawing my child/ren after July 1st, that I will be obligated to pay the 1st month of tuition for the start of the new school year. All volunteers at MTC must complete a "Level II" background screening (which includes fingerprints), Safe Environment Program training and other administrative items including the written volunteer application vetting process.
